We will not be offering meals November 25th - November 27th & December 24th - January 1

~During the COVID-19 pandemic, we are working together as a school and community to ensure children have access to food through the National School Lunch Program's Seamless Summer Option. This is a federally-funded program administered by the Department of Public Instruction where free meals could continue to be available as late as June, 2021.

~The Denmark School District partners with Chartwells. We are offering free lunch & breakfast each M - F to any child 18 & under and 21 & under for people with disabilities and a student. No questions will be asked, just let us know how many meals you will need when you drive up to any of the listed sites below. You can also pick up meals for your neighbor's children, your grandchildren, etc.

The curbside Menu is located at Denmark.nutrislice.com
All students are welcome regardless of the school district you attend.
